

Bank of Expertise

Application Guidance Notes

Each entry on the Bank of Expertise website will be per individual expert so two experts from the same organisation will have to submit two separate applications.

About You

Please fill in your name, your organisation, your area of expertise, a short description of the services you can offer Third Sector organisations and your daily rate.

Contact Details

Please provide your address, telephone number and mobile if necessary, email address and website if you/your organisation have one.

Experience of working with Third Sector organisations

You will need to submit a short paragraph about your previous experience of working with Third Sector organisations. If you have no previous experience with these organisations, please state why you would like to work with the Third Sector.

References from Third Sector organisations

In order to join the Bank of Expertise you must provide two references from two different Third Sector organisations that you have previously worked with. You should seek these yourself and include them in the comments section provided on the form. You must also give the name of the referee, their organisation, and a contact telephone number as references will be followed up by Places for Everyone before you are able to join the Bank of Expertise. References will be shown on your profile on the Bank of Expertise.

References from other organisations

If you haven't previously worked with Third Sector organisations please obtain references from other organisations you have worked with.
